See below for more information about a CACFP Mini Grant opportunity from T&L Foundation for Child Care Information:

A request for applications for mini-grants has been announced during CACFP Week. This is an effort to support the implementation of goals for child health and wellness in the child care environment. CACFP sponsoring organizations (up to \$500) are eligible.

The objectives:

- Overall quality of health and wellness in child care settings
- Enhancing nutrition and healthy eating habits in child care settings
- Enhancing physical activity in child care settings
- Engaging parents in education of health and wellness via child care provider relationships

Visit: <http://www.tlfcgi.org/mini-grants-2016.html> to learn more and to apply! **The application process closes April 13.**

This grant may serve as an excellent opportunity to establish or expand Farm to Early Care and Education programming in your child care environments. For more information about Farm to Early Care and Education visit our webpage: <http://dpi.wi.gov/community-nutrition/cacfp/farm-2-ece>.
